JUNE 2017 NEWSLETTER

Main Nursery

Children have been invited to make gingerbread dough. They have weighed ingredients, mixed and kneaded the dough before shaping their own gingerbread men!

The warm weather has prompted lots of exploration with water, transporting and creating water walls.

Our number challenge work has continued and children are now becoming skilled at counting small groups of items and ordering numerals from 0-10. Please look for opportunities to count and notice numerals at home.

Sponsored Sports/Fun Day – Tuesday 18th July - We will be sending home a letternext week detailing what happens on our Sponsored Sports/Fun Day. Children will complete several activities/events and we hope that they will collect sponsorship. All monies raised will go towards our new creative and art materials.

Mrs Williams will be enjoying some group music sessions with the children on this day too!

Transition Visits from School – Reception teachers from the children's new Primary Schools have been visiting Nursery to meet the children and liaise with staff. So far the transition process arrangements are going very well. We do hope the children have enjoyed the induction sessions at their new schools where they can meet their new teachers again.

Forest School Forest School will be coming to an end. Many thanks to Mrs Crinion (Fergus's mum), Mrs O'Callaghan (Anya's mum), Mrs Tsang (Taylor's mum) and Jordan Ellershaw who have been helping, it is much appreciated.

Our end of year Camp fire will take place on Monday 3rd and Monday 10th July.

End of Year Gifts/Thank You's

Each year parents are always very kind and often buy small gifts. Please could we ask this year you consider a small donation towards new arts resources. The staff team are every bit as delighted with new exciting materials as the children and we hope to invest in new POSCA pens and canvases to work on and a wider range of acrylic and water colour paint.

Mr Northover will be coming into school on Friday 7th July with his drum kit as he has kindly done in the past in order for the children to enjoy playing them in the garden! Thank you Mr Northover

JUNE 2017 NEWSLETTER

Children's Centre Consultation

A small number of Parents have approached us recently to ask if the Nursery School will be affected by the Children's Centre consultation process or face closure. The Nursery School is a separate organisation to the Children's Centre and is **not** part of the current consultation.

Kenilworth Nursery School is a maintained School, 1 of just 400 left in the Country, offering outstanding early education and care for children between 2 and 4 years of age and has gone from strength to strength. Recently we have also been designated a National Teaching School in recognition of the high quality of education and training we provide.

Please share this message to clarify the current position with other Parents who may feel worried

Our website is updated regularly with information on what the children are doing in School, What's New weekly, the planned environment and more. We are at:
www.kenilworthns.org.uk
Our facebook page, Kenilworth Nursery School & Early Years Teaching Centre is also up and running (previously known as Kenilworth Nursery School) – do have a look if you are a member at:
www.facebook.com/knseytc

Early Years Teaching Centre: Extending services for young children and their families

Mondays	Stay & Make Music	9.15, 10.15 (£3.50) & Baby Music 11.15 am (£3.00)
Wednesdays £2.00 per family	Stay & Play	9-10.15 am & 10.30 – 11.30 am

Our Monday morning sessions are all led by our Music Specialist Teacher, Sue.
Our Stay & Play sessions continue to run. All parents and children are welcome to come and play with children from 0-3.

It's Easy to make Donations to School!

Thank you to all who have made a financial contribution to the School. Your support is very much appreciated and does make such a huge difference.
These contributions pay for additional items for baking, snack time foods (apples, bananas), pencils, crayons, tissues etc, etc and the curriculum project during the Spring term.
If you have not yet donated, it is not too late!
You are welcome to donate £2 per week instead of donating half termly, if preferred and do remember to fill in a Gift Aid form if not already done so as we can claim tax relief.
You are very welcome of course to donate items to School whenever you wish in the form of fruit (apples, bananas) at the beginning of each week for the children to have at snack time. Or if you would prefer to donate items such as boxes of tissues, paper for painting, etc, etc the list is endless! Many thanks for your support.
