Nurture Nursery

As part of the Christmas celebrations in Nurture Nursery, the children were invited to take their turn to create a Christmas decoration. They explored the properties of the glue and investigated different ways to attach sparkly materials to their pine cone. The children showed curiosity when exploring the Christmas decorations in the outdoor area and many talked with an adult about their own experiences in decorating for Christmas at home, "We decorated and I put a star on the top!" said Lily-Mae.

The Christmas Party on Tuesday was a huge success. And as Arthur and Martha commented, "It was the best party ever!"

The children joined in dancing and circle games including, 'The Birdie Dance', Musical statues, and 'Superman'. A special visitor arrived to say hello to the children and give them a little gift. The children were thrilled to see Santa and were keen to tell them all they knew about Santa and his elves.
